

# TRAVELITE DUFFEL 120LTR

Built for extended travel and demanding journeys, the Travelite Duffel 120L offers exceptional storage capacity without compromising on convenience. Its spacious 120-liter design provides ample room for clothing, work gear, and personal belongings, making it ideal for crew changes, offshore assignments, and long trips. Crafted from durable polyester, it features multiple external pockets, including a dedicated shoe compartment, for organized packing and quick access to essentials. The wide-opening main compartment and internal zip pocket ensure easy organization, while the adjustable shoulder strap and comfortable carrying handles provide flexible transport options. Finished with your company logo, it is a practical and highly visible branded gift that crews will appreciate and use for years.
